

You are registered with the libraries of the University of Strasbourg. You will soon receive your card through the post. In order to finalise your registration you must first activate your account:

## How to activate your account?

On the [www.unistra.fr](http://www.unistra.fr) university site click on the tab 1-  E.N.T.

- 1- Click on the tab 
- 2- In the heading "you are a SCD reader outside Unistra" click on: [activez votre compte.](#)
- 3- Enter your username: .....(to be completed by the librarian)
- 4- Enter your password - date of birth in the format: DDMMYYYY
- 5- Then follow the instructions to change your password and confirm the different rules.

## Which services are associated with your registration and your card?

- ✓ **Borrowing books** from the University libraries (5 books/ 14 days).
- ✓ Access to your **reader account**  from the portal <http://bu.unistra.fr> to:
  - **Renew** your loans - heading *situation*. Possible only in the last 3 days of the loan.
  - **Reserve a book** that is already on loan.
  - **Suggest a purchase.**
- ✓ **Consult electronic resources from the computer terminals in the libraries. Warning**
- ✓ **Access to WIFI (OSIRIS network).**
- ✓ **Webmail address** can be checked on <https://webmail.unistra.fr> : **This is the address the library uses for all communications. Make sure you check it regularly.**
- ✓ **Photocopies, print-outs and digitization** on copiers. From the portal, section "use our services then "print/photocopy"" (utiliser nos services puis "imprimer/photocopier").

Your registration and your card are also **valid in the following libraries**: [BNU](#), [INSA](#), [ENSA](#) and [ENGEES](#). In these establishments the procedures for accessing services may differ.

**Important:** your registration does not allow remote access to electronic documentation.
